

what alkaline water can do for you....

What could be more basic to your health than the water you drink?

**Powerful antioxidant effect**

An IonWays ionizer produces a super abundant supply of powerful antioxidants in each glass.

**Superior Hydration**

Up to 6 times more hydrating than other waters. Filtered for impurities, it's silky, smooth and refreshing.

**More Oxygen**

As water is ionized it provides you with a rich source of extra oxygen - almost double the amount of tap or bottled water!

**Improve your pH balance**

Water from an IonWays ionizer will help restore your body to its natural pH balance - boosting your vitality.
